

About us

Brookside Outdoor Center, founded in 2005 by Brian and Heather Wharry, is situated fifteen minutes south of Magog on 35 acres of woodlands and meadows in the picturesque village of Fitch Bay, on Lake Memphremagog. Brookside offers one-week camps for a **maximum of 15 campers per session**, focusing on leadership and team-building, adventure programming and outdoor living skills.

Our Staff

The Brookside staff team is a strong mix of education and health professionals who are committed to providing each camper with a positive and memorable camping experience. At Brookside, staff members are selected for their experience and ability to nurture campers as well as for their leadership skills. Our staff are certified in CPR and First Aid, and take part in an extensive pre-camp orientation. To allow campers to learn new skills safely, we maintain a **camper to staff ratio of 3:1**.

Our Facilities

Campers sleep in tents on raised wooden platforms, each on a bed with a mattress, in a woodland setting. The tents are located close to dining and washroom facilities, as well as indoor facilities for rainy day programming.

All camp sessions begin with supper on Sunday and end after breakfast on Saturday. Please note that we are welcoming day campers for Pioneer Camp, and Wilderness Survival Camp.

Our adventures are about learning, trying new things for the first time, building character and gaining confidence.

Don't worry if you have no experience.

Our staff will coach you in all the necessary skills, and allow you to set your own pace. Immersed in a safe, encouraging, positive environment, you will have the chance to enhance self-confidence, social-interaction skills and achieve individual successes that will prepare you for the challenges that lie ahead in your life.

Brookside Outdoor Center is a Christian camp whose mission is to present the gospel of Jesus Christ through the camping experience by spending time in God's Word, building relationships and sharing adventures.
